1.0 Call to Order/Introductions

The meeting was called to order at 10:05 a.m.

2.0 Agenda Changes and Announcements

Sheri Cohen gave a report about the Regional Coordinating Committee, and highlighted the Green Infrastructure Network. The network involves mapping and plotting green and open spaces. More information can be found at http://www.cmap.illinois.gov/green-infrastructure.

3.0 Approval of Minutes—March 11, 2013

The minutes of the previous meeting were approved as presented.

4.0 Center for Neighborhood Technology Priority Development Areas

Jacky Grimshaw gave an overview of CNT's proposal to establish Priority Development Areas (PDAs), voluntary geographic designations to align investments in transportation, housing, and jobs across agencies. The presentation included similar best practices from other regions around the country, a voluntary process for establishing them in northeastern Illinois, and resources in transportation, housing, and jobs that could be targeted.

5.0 HOMES for a Changing Region - Northwest Suburban Housing Collaborative

CMAP staff Jonathan Burch provided an update about the Homes for a Changing Region final report for the Northwest Suburban Housing Collaborative. The Homes for a Changing Region analysis projects the demand and supply trends for housing among neighboring municipalities. The end product of this planning process is a long-term housing policy plan that includes a balanced mix of housing, serving current and future populations, and ultimately enhancing livability at the local and regional levels.

6.0 Updates

7.0 Other Business

Jackie Grimshaw announced that CNT conducted research for the American Public Transportation Association (APTA) and the National Association of Realtors (NAR) that showed that condos near transit held their value as opposed to those that are not. More info about this research can be found at http://www.cnt.org/news/2013/03/22/proof-that-housing-near-transit-is-a-good-investment/.

8.0 Public Comment

There was no public comment.
